SHAPING SPACES | BUILDING FUTURES

JOURNEY BEGINS ...

OUR FOUNDER

Mr. Anil Kumar Bhatia
(OUR FOUNDER & CHAIRMAN)

Born in Hansi, Haryana, Mr. Anil Kumar Bhatia began his professional journey with NFL before entering the real estate industry in 2003. With over 40 years of experience across public sector service, real estate consulting, and development, he founded REP Group with a vision to create value-driven developments built on trust, credibility, and long-term growth. Known for his grounded leadership and ethical approach, he continues to guide REP Group with the belief: “Work hard and be humble

MR. MUKUL BHATIA
(DIRECTOR AT REP GROUP)

THE MAN BEHIND REP GROUP'S DIRECTION

A Mechanical Engineer with nearly a decade of experience in Engineering Management, Program Leadership, and Real Estate Development, Mr. Mukul Bhatia brings a modern and strategic approach to REP Group's vision and growth. With global corporate exposure and a strong execution-driven mindset, he is focused on building organized townships and industrial ecosystems that create long-term value, opportunities, and meaningful impact for communities across the region.

OUR PRESENCE

SEAMLESS CONNECTIVITY

Strategically located on NH-44 (GT Road) at Kohand, Karnal, **REP GROUP INDUSTRIAL PARK** offers exceptional connectivity to major industrial and commercial hubs across North India.

With seamless access via road, rail, and air, the location is ideally positioned for manufacturing, warehousing, logistics, and business expansion.

STRATEGICALLY POSITIONED ON NH-44 BETWEEN PANIPAT & KARNAL

- Panipat Bus Stand – Approx. 15 Minutes
- Panipat Railway Station – Approx. 15 Minutes
- Panipat Toll Plaza – Approx. 5 Minutes
- Delhi International Airport – Approx. 2.5 Hours
- Chandigarh International Airport – Approx. 2.5 Hours

REP Group is driving modern infrastructure development and promoting rapid growth in the industrial sector with strategic planning, advanced facilities, and future-focused investment opportunities.

Panipat and Karnal are evolving as a powerful industrial and economic growth belt. With increasing warehousing demand, industrial activity, logistics movement and infrastructure expansion, this corridor is attracting long-term business interest.

GREEN PARK

Enjoy open spaces and lush green parks designed for a peaceful lifestyle, fresh environment, and family-friendly living — where every day brings comfort, relaxation, and a refreshing connection with nature.
